### Broker notes

- Main retail-level location with strong destination-shopping visibility.
- Broker indicates a smaller kiosk conversion may be considered but is not guaranteed.
- Back-of-house service corridor and loading access are available through mall operations.
- The current 780 sq. ft. unit is larger than the initial compact-format requirement.

### Open diligence items

- Confirm whether a smaller footprint can be leased.
- Validate all-in occupancy charges and kiosk conversion terms.
